

***Pishgaman Fanandish Tehran Co.***

***May 2022-Rev 9***

## ***Pishgaman Fanandish Co.***

### ***Fundamental philosophy:***

Helping Industries in their **development and maintenance** work by offering best Technical Services.

### ***General Information:***

Starting its business in 1994, the Pishgaman Fanandish Co. is one of the pioneers in the **field of development of industrial plants**. Activities include **Engineering, Procurement, Manufacturing, Erection, Operation, Repair and maintenance**. Various industries include **Oil, Gas and Petrochemical plants, Power plants, Transportation, Steel, Agriculture, Automotive industries and Mega buildings**.

### ***Mission:***

To improve corporate credits through the creation and development of sustainable values for customers, employees and shareholders by providing technical and engineering services for industry owners.

### ***Strategies:***

- Developing technical and expert knowledge.
- Proposing competitive prices.
- Extending the partnership network.
- Establishing the commitment culture and organizing management teams.

### ***Board of Directors:***

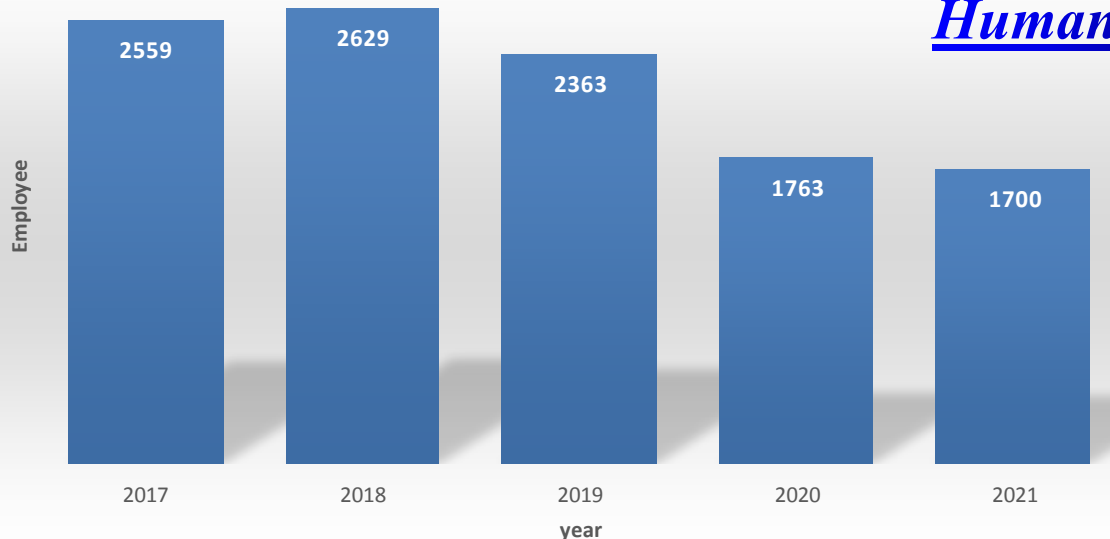

- Mr. M.A. Mousavi, Managing Director
- Dr. H. Esmaeili Moghaddam, Chairman
- Mr. M.H. Mostakhdemin Hosseini, Member and deputy MD
- Mr. A. Shabani, Member

### ***Shareholders:***

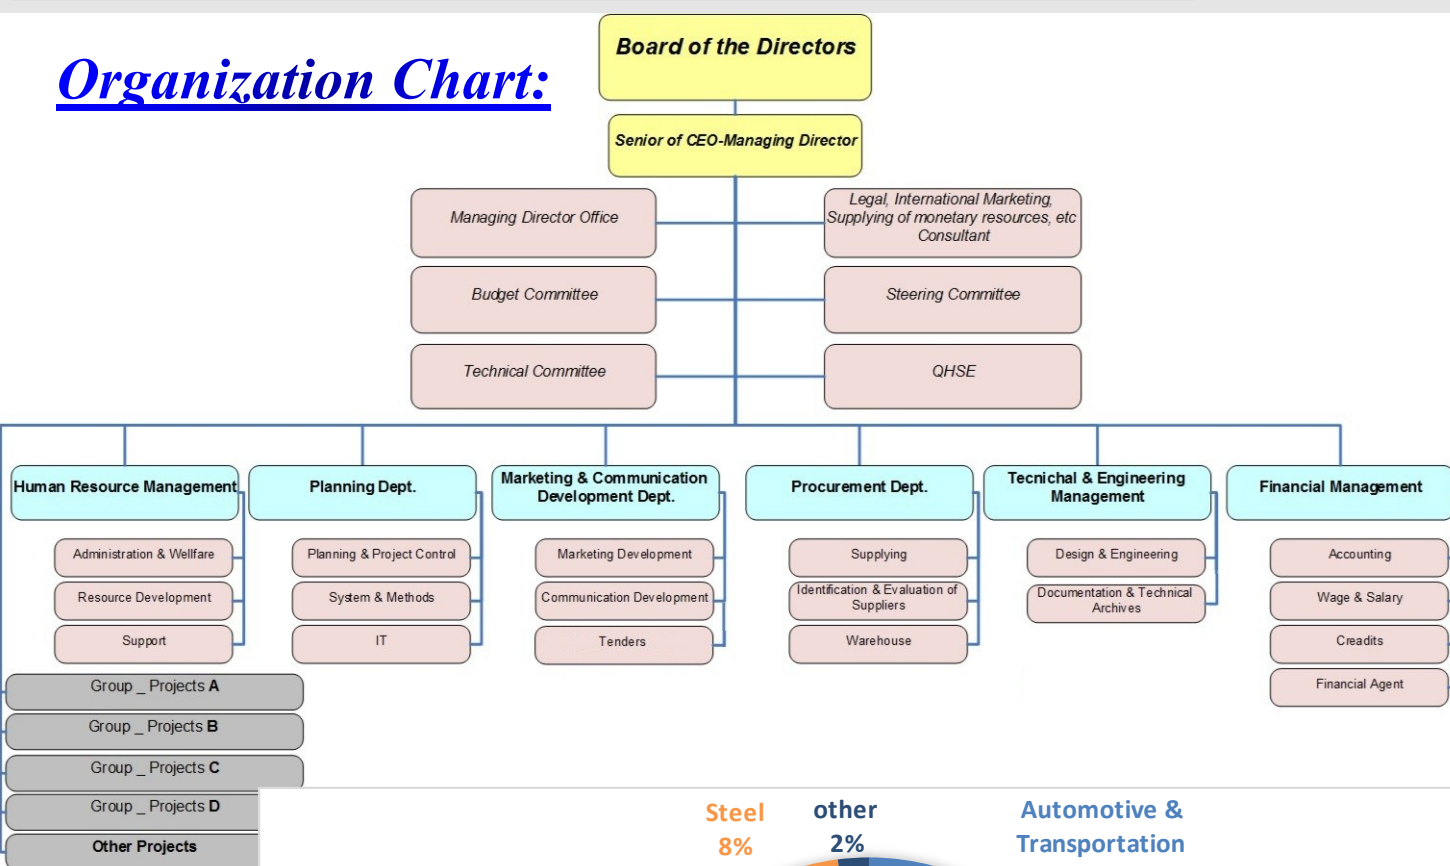

Pishgaman Fanandish Co. is a private company. The board members hold the majority of shares and the rest of shares belong to the company employees.

Traffic*

## *Iran Management & Plan Organization Certificates*

## CONTRACTOR QUALIFICATION CERTIFICATE

These certificates, issued by Plan and Budget Organization of Islamic Republic of Iran, confirms Pishgaman FanAndish Co. has the necessary qualifications for projects in the following engineering fields and also determines the ranking of the company in accordance with each field. These ranking are rated in five levels which the highest level and the lowest level are illustrated by Grade 1 and Grade 5 respectively.

- *Buildings and Constructions fields* .....
- *Installations and Equipment fields* .....
- *Oil and Gas fields* .....
- *Water field* .....
- *Industry and Mining fields* .....
- *Energy field* .....
- *Road and Transportation fields* .....

### Grade 5

# THE OPERATION, MAINTENANCE AND REPAIR OF HYDROELECTRIC POWER PLANTS CERTIFICATE

This certificate, issued by Ministry of Energy of Islamic Republic of Iran, confirms Pishgaman FanAndish Co. has necessary permissions and qualifications for operation maintenance and repair of hydroelectric power plants related to Grade 1 and also undertaking three simultaneous projects regarding to this certificate.

## SERVICE COMPANIES ACCREDITATION

This certificate, issued by Ministry of Cooperatives, Labor, and Social Welfare of Islamic Republic of Iran, confirms Pishgaman FanAndish Co. has the accredited qualification in the following fields:

- Repair and Maintenance of office equipment
- Kitchen and Restaurant Affairs
- Public services and security
- Green space maintenance

## Technical and engineering license from Ministry of Industry, Mine and Trade of Iran

In the fields of electricity, electronics, control and automation, Machinery and equipment for oil, gas and petrochemical industries

## SAFETY ACCREDITATION CERTIFICATE

This certificate, issued by Ministry of Cooperatives, Labor, and Social Welfare of Islamic Republic of Iran, confirms Pishgaman FanAndish Co. has the accredited qualification in safety.

other

Pishgaman Fanandish Co. has successfully accomplished several EPC contracts in different industries. This is achieved by making use of skilled employees and experienced management teams.

Industry	EPC projects
Oil, Gas & Petrochemical	● Malayer Oil Depot
	● Birjand Oil Depot
	● Bana Gostar Karane Oil storage tanks (24000 M3)
	● Construction of civil and piping in Rey oil Depot
	● Construction of 3 inch line from the Aromatic unit to Olefin unit in Faravaresh Petrochemical
	● Construction of fuel oil heating infrastructure in Shahid Nourbakhsh oil Depot in Mahshahr
	● Development of substation Ethan recovery plant for propane compressors of Maroon Petrochemical
Automotive	● P&F system for Car production line for FIAT (TOP Co. in Saveh)
Power Plant	● Loshan power plant fuel storage (30000 M3)
	● Bandar Abbas power plant mazut storage tanks (2*30.000 M3)
Steel	● Esfahan steel company Mold Repair workshop
	● Design, Installation & Commissioning of cooling towers in Isfahan Steel Co,
	● Design & Construction of metal structure for sulfur transporting facilities of Raha Sahel institute Khatam-al Anbiya
Water	● Gachsaran water storages Tanks
Agriculture	● Amir Kabir cattle feed plant in Khuzestan (Sugar Cane and By Product Plant)
	● Fruit and vegetable leftover transfer line to cattle feed factory.
	● Shoeibieh cattle feed plant in Khuzestan
Civil	● Construction of Green Square of Zanjan

**Pishgaman Fanandish Co. has reputable record in delivering projects in the field of construction, installation & commissioning of industrial plants and it has been known as a professional company in this field, thanks to the policy of the profound quality and on time delivery of the projects. These projects are related to Power Plant industries, Oil & Gas, Car manufacturing industries, Agriculture & Food industries and Steel plants:**

Industry	Construction, Erection & Commissioning Project
Oil, Gas & Petrochemical	<ul style="list-style-type: none"> <li>● Fabrication of industrial structures and equipment, sulfur handing system for south pars Gas Filed Development in Assaloyeh Rah-Sahel institute</li> <li>● Piping work (120000 Inch Dia) ,Assaloyeh refinery south pars complex (phase 22 to 24) (Darya-Sahel institute)</li> <li>● Construction of Birjand oil Depot in NIOPDC</li> <li>● Construction of piping in Faravaresh Petrochemical</li> <li>● Construction, Installation &amp; Commissioning of 2 ATK fuel tank of Kish Airport</li> <li>● Construction of oil Depot Bandar Abbass– Banagostar Karaneh</li> <li>● Installation of high risk devices in olefin unit of Faravaresh Petrocheical</li> <li>● Installation of 4 water tank in Gachsaran NISOC</li> </ul>
Automotive	<ul style="list-style-type: none"> <li>● Several projects in Iran khodro industrial group</li> <li>● Equipment for L84 &amp; L90 projects – Parskhodro</li> <li>● Construction and erection of EMS steel structure, slat conveyors and carrier 6 attachment projects - Kashan SEECO (SAIPA)</li> <li>● Installation of car manufacturing equipment in Kashan - SEECO (SAIPA)</li> </ul>
Power Plant	<ul style="list-style-type: none"> <li>● Marun Hydraulic Power Plant.</li> </ul>
Construction & Facilities	<ul style="list-style-type: none"> <li>● Installation of Pars industrial carbon black plant in Saveh</li> <li>● Construction, erection and commissioning of equipment and sidelong facility for feeding limestone fines of new limestone building- Isfahan steel Co,</li> </ul>
Steel	<ul style="list-style-type: none"> <li>● Agglomeration plant (Sinter plant) in Esfahan steel Co.</li> <li>● Erection &amp; commissioning of 30 cranes, double side trimming and slitting shears in Khozestan Oxin Steel Co. Plant.</li> <li>● Esfahan steel company iron core and coke transferring system.</li> <li>● Construction and erection of Mechanical equipment for 5 sugar cane plants (Debel, Mirzakoochakkhan, Salman, Farabi &amp; Dehkoda) in Khuzestan-Sugar cane and by Product Development Co.</li> <li>● Installation and Operation of mechanical piping &amp; civil works in Esfarayen Industrial Complex (CCM, WTP)</li> <li>● Design, supply, construction, installation and assembly of cooling towers in Isfahan Steel</li> <li>● Construction of building in Mobarakeh Steel Co,</li> </ul>
Agriculture	<ul style="list-style-type: none"> <li>● Construction, installation sand blasting and painting of fuel &amp; molasses tanks storage, and sand filters, sugar cane and by product development Co.</li> <li>● Industrial slaughterhouse in Shahrekord, Eghlid, Ilam, Khorein &amp; Yasouj.</li> </ul>

Pishgaman Fanandish Co. has begun Operation, Maintenance & Repair projects since the establishment of company; however these fields of projects have been developing since 1999.

Industry	Operation, Maintenance & Repair projects
Oil, Gas & Petrochemical	<ul style="list-style-type: none"> <li>● Mechanical equipment in Tondgooyan Co petrochemical.-Khuzestan, Mahshahr</li> <li>● Maintenance &amp; repair of civil, electrical &amp; mechanical equipment in Boalisina &amp; Arvand Petrochemical Co.</li> <li>● Maintenance &amp; repair of Ammonia urea unit and offsite in Razi petroleum Co</li> <li>● Maintenance &amp; repair of civil, electrical &amp; mechanical instrument and services equipment in Tehran Oil Refining Co and Bandar abbas</li> <li>● Esfahan refinery, maintenance &amp; repair of Equipment, Fire Fighting and operation services</li> <li>● Maintenance and repair of mechanical and electrical and services in south Asaloye</li> <li>● Operation, maintenance and repair of mechanical, electrical and communication utilities and systems of RIPI (Research institute of Petroleum of Iran)</li> <li>● Maintenance and repair of civil, elect, mechanical equipment in Kermanshah and Khark Petrochemical Co.</li> <li>● Maintenance and repair of equipment in Khark oil field</li> <li>● Maintenance and repair of electrical and mechanical equipment in Tehran oil refinery Co,</li> <li>● Maintenance and repair of all Faravaresh equipment in (BIPC) Bandar Imam Petrochemical Co,</li> </ul>
	<ul style="list-style-type: none"> <li>● Several Projects in SIPA, Iran khodro Industrial Group ( in different workshops such as assembly shop – body shop &amp; paint shop 1, 2, 3 – body shop 2,3,4,5-press shop)</li> </ul>
Automotive	

Industry	Operation, Maintenance & Repair projects
Power Plant	<ul style="list-style-type: none"> <li>● Maintenance and repair and power generation management Siah Bishe, dam and power plant</li> <li>● Power generation management Karun3 dam &amp; power plant- Khuzestan, Izeh</li> <li>● Operation Karun4 dam &amp; power plant- Khuzestan, Izeh</li> <li>● Maintenance &amp; operation and repair of Shahid Rajai and Lavarak Dams, power plants, Monj power plants (5MW) (Karun 4) and the network of Lordegan to Karun 4 (20 KW)</li> <li>● The Lar Dam, maintenance, repair and operational services</li> <li>● Maintenance, operation and repair of Siah bishe pumped strong power plant</li> <li>● Maintenance and repair of power plant equipment in Kohrang and Tarik power plant</li> <li>● Maintenance and repair of the central engine room in Iran power plant (EM, PM)</li> </ul>
Construction & Facilities	<ul style="list-style-type: none"> <li>● Maintenance, operation &amp; repair of the Tehran Milad Tower.</li> <li>● Central Bank of the Islamic Republic of Iran ,operation, maintenance and repair of buildings and utilities.</li> <li>● Maintenance and repair of the installations and buildings of the cultural houses of the north and west of Tehran</li> <li>● Maintenance and repair of the installation and buildings of Jahad engineering research institute</li> <li>● Maintenance &amp; repair of electrical &amp; mechanical facilities of buildings of Maskan Bank</li> <li>● Maintenance, repair, mechanical, electrical installations and Building Management Systems (BMS) of Research Institute of Petroleum Industry</li> <li>● Maintenance of mechanical, electrical installations, protection of gas pipeline, network and telephone line operator of Iran University of Science and Technology</li> <li>● Maintenance and repairs of electrical and mechanical facilities of Iran Mall</li> <li>● Maintenance &amp; repair of the buildings and Mechanical and Electrical utilities of Saderat Bank, IDB and Azadi Parsian Hotel.</li> <li>● Maintenance and repair of building and civil works in Imam Khomeini port complex</li> </ul>
Steel	<ul style="list-style-type: none"> <li>● Esfahan Mobarakeh steel Co, repair work for industrial and non-industrial buildings</li> <li>● Maintenance operation &amp; repair of the 30 cranes and 2 Pylers in Khozestan Oxin steel Co</li> <li>● Maintenance and repair of civil, agglomeration and chemical products and also construction of electrical room in Isfahan Steel Co,</li> <li>● Operation &amp; supply the preparation activities of the second hot rolling site in Mobarakeh Steel Co,</li> </ul>
Shipping & Port	<ul style="list-style-type: none"> <li>● Maintenance &amp; repair of civil, electrical &amp; mechanical equipment in Bandar Emam Khomeini Harbor – Khuzestan</li> </ul>

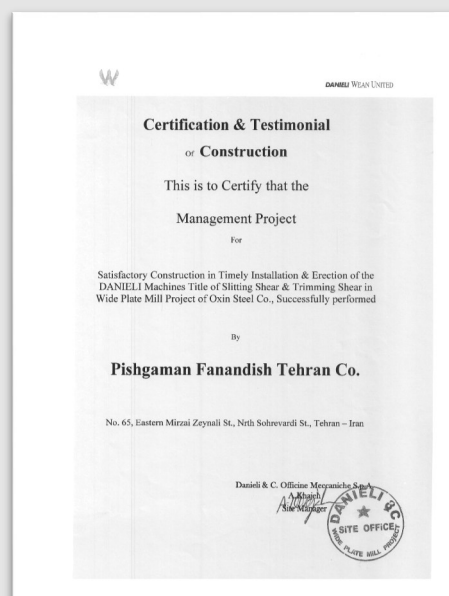

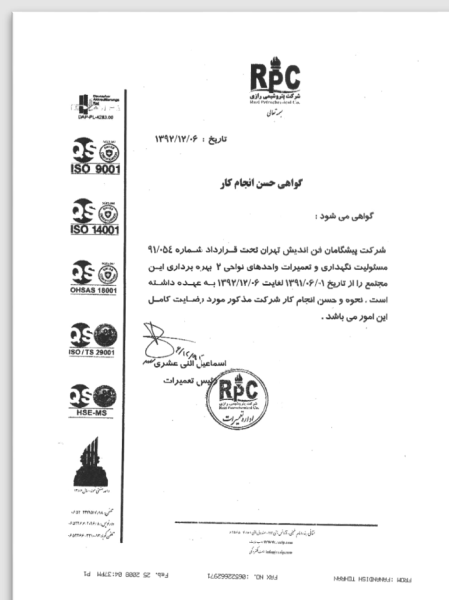

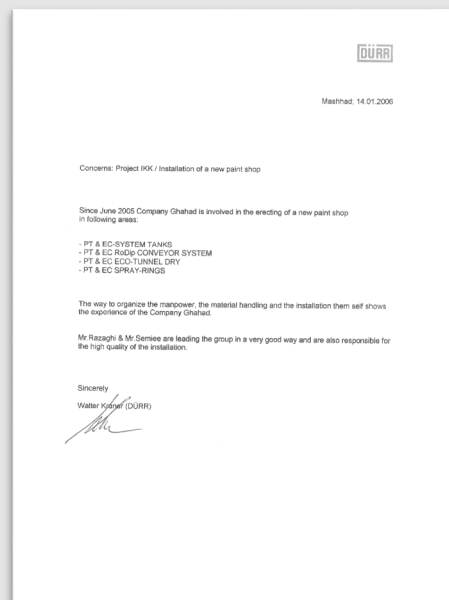

Pishgaman Fanandish Co. started civil projects with from the construction of Amir Kabir cattle feed plant for the sugar cane in 1999. This field has been expanded since by using modern technology & skilled engineers for construction of civil & building projects in different industrial plants.

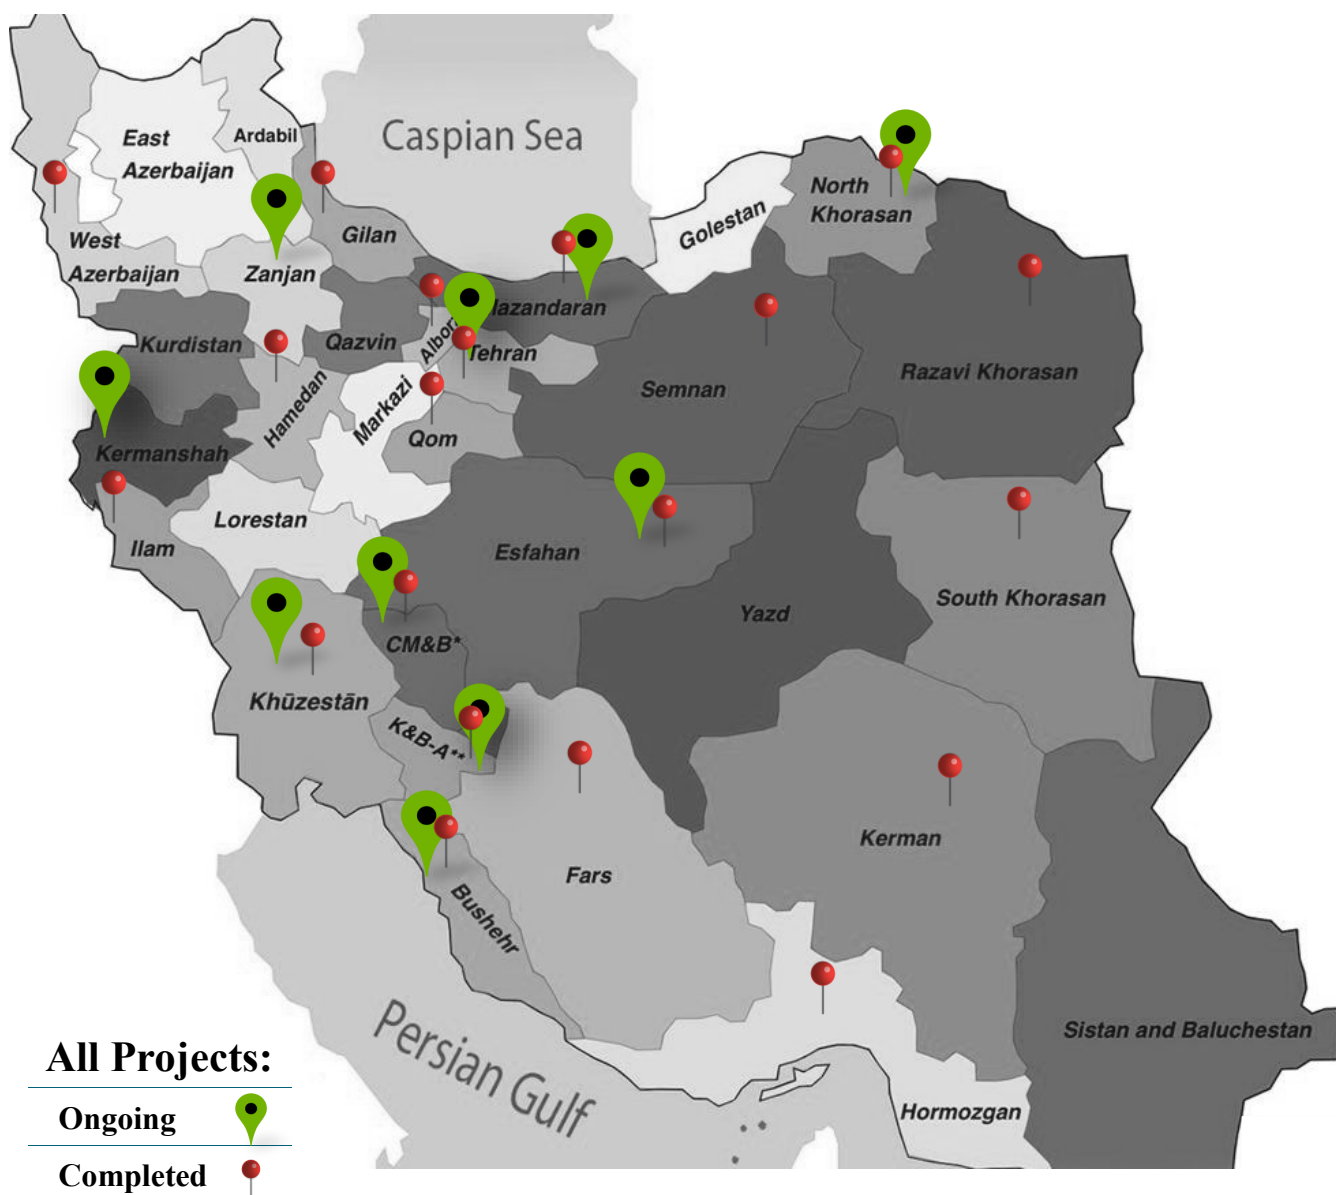

Industry	Civil projects
Oil, Gas & Petrochemical	<ul style="list-style-type: none"> <li>• Development of the substation of Ethane Gas recovery plant in Ahvaz (Maroon Co)</li> <li>• Construction of building, installation &amp; operation of the project to increase the capacity of one of the olefin units in Amir Kabir Petrochemical</li> <li>• Construction of oil depot in Bandar Abbass (Banagostar Karaneh)</li> </ul>
Construction & Facilities	<ul style="list-style-type: none"> <li>• Construction of expansion project for PARTO (Turbine Blade production factory –Karaj)</li> <li>• Construction of expansion project for Gilan Tobacco Co</li> <li>• Construction of main laboratory building of Persian Gulf Biotechnology Park for Qeshm Free Zone Authority</li> <li>• Construction of Green Square of Sabzaeh Meydan Zanjan town</li> <li>• Building &amp; Civil Work in Bandar Emam Khomeini harbor</li> <li>• Construction of MDF production plant (in Khuzestan)</li> <li>• Construction of Damavand 332 units residential complex</li> <li>• Construction of Kerman 263 units residential complex</li> <li>• Construction of Qom Municipality Central building</li> <li>• Construction of the 3 buildings of area courts in Tehran</li> <li>• Construction of office building and train line in Kermanshah</li> </ul>
Water	<ul style="list-style-type: none"> <li>• Construction of pump station for Water treatment system in Karaj</li> </ul>
Agriculture	<ul style="list-style-type: none"> <li>• Construction of AmirKabir cattle feed plant in Khuzestan</li> <li>• Construction of Shoeibieh cattle feed plant in Khuzestan</li> </ul>
Transportation	<ul style="list-style-type: none"> <li>• Construction of Railway station in Eghlid</li> <li>• Construction of Watchtower &amp; Technical block &amp; administration building of Uromieh Airport</li> </ul>
Energy	<ul style="list-style-type: none"> <li>• Construction of Omidieh 400 KV. substation</li> </ul>
Automotive	<ul style="list-style-type: none"> <li>• Building and civil works and mechanical &amp; electrical facilities in Pars Khodro</li> </ul>
